

Hey D4 Members. Remember, April 22nd is Earth Day. Below is a list of suggested Earth Week activities for you to try in your school or at your home.

Earth Week Suggestions

- School yard clean up (use gloves and recycle as much as possible)
- Garbageless lunch day (or week)
- Recycle your bottles, cans and juice boxes (turn them into money through Terracycle <http://www.terracycle.ca>)
- Start composting (<http://www.compost.org>)
- Dress in blue and green for a spirit day
- Ride your bike to school or walk
- Take the Suzuki challenge (<http://www.davidsuzuki.org/>)
- Have a meat free or organic lunch
- Measure your carbon footprint (<http://www.zerofootprintkids.com>)
- Reduce the amount of paper your school uses
- Adopt an animal (through World Wildlife Federation - <http://www.wwf.ca>)
- Save some rainforest (through the Rainforest Action Network - www.ran.org/)
- Sponsor a child in a developing country
- Make No Idling Signs and place them in areas that parents wait for kids
